Reviews

It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE MEMORY BOOK (HARDBACK)

Little, Brown Company, United States, 2016. Hardback. Book Condition: New. 216 x 145 mm. Language: English . Brand New Book. They tell me that my memory will never be the same, that I ll start forgetting things. At first just a little, and then a lot. So I m writing to remember. Sammie was always a girl with a plan: graduate at the top of her class and get out of her small town as soon as humanly possible. Nothing will stand in her way-- not even a rare genetic disorder the doctors say will slowly start to steal her memories and then her health. What she needs is a new plan. So the Memory Book is born: Sammie s notes to her future self, a document of moments great and small. It s where she ll record every perfect detail of her first date with longtime crush, Stuart--a brilliant young writer who is home for the summer. And where she ll admit how much she s missed her childhood best friend, Cooper, and even take some of the blame for the fight that ended their friendship. Through a mix of heartfelt journal entries, mementos, and guest posts from friends and family, readers will fall in love with Sammie, a brave and remarkable girl who learns to live and love life fully, even though it s not the life she planned.
