Berkley Pub Group. Paperback. Book Condition: New. Paperback. Dimensions: 6.6in. x 4.1in. x 1.2in. In this fourth Anita Blake novel our heroine no longer bears the marks of Jean-Claude or any other master vampire and is exploring a relationship with Richard, the middle school teacher. Of course there are problems: Richard is a werewolf whose pack leader is threatening to kill him, Jean-Claude will not take no for an answer and has a female vampire who wants to kill Anita, and Dolph wants help identifying the something that is killing lycanthropes (shapeshifters). The Lunatic Cafe is the name of the hangout where the werefolk meet and Anita is finding out more about their kind than she really wants to know. Good thing they want her help in finding out who is butchering their kind, although her involvement is certainly a mixed blessing. This item ships from multiple locations.
