

Building Age Volume 22

Filesize: 7.23 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ms. Fatima Erdman)

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 Excerpt: .correct. The proportions of the circumscribed rectangle change with different irregular polygons, but this method of enlargement is equally applicable. Heuton Raller Table. From E. E. H., Knoxville, Tenn.--As the subject of hexagon roof framing is receiving some attention in the Correspondence department, I send herewith a hexagon rafter table, which I hope may prove of interest to some of the readers. I prepared this table with several others about four years ago, and so far as I know they are a little different from anything of the kind in use. I have a table prepared for laying out regular polygons of from 3 to 20 sides, which I will send for publication if it will. be of interest. I have been a subscriber to Carpentry ttid Building two years, and have for some time intended to show my appreciation of the paper by adding my mite to the Correspondence department.
