*It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

## FREEZE FRAME: INTERNATIONAL POETRY ANTHOLOGY

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A poetry collection about life and love presented in Kindle, Print and Audio book formats. Freeze Frame brings together six international poets and a composer, each with their own vision of what would appear in the static frame if we captured the flow of our ceaseless contemporary narrative. A selection of poems edited by Oscar Sparrow and performed by each poet so the reader/listener may experience the full presence and intention of the poets Freeze Frame captures the essence of the poet in this private audience poetry performance - each recorded in their home locations in England, USA and Italy. Whether you are seeking an inspirational quote or a cutting edge intellectual concept, Freeze Frame is a unique collection of short poems allowing you to step aside and perhaps hit the pause button of your own rushing life. The quest for words with which to capture the sound of wind in trees, an echo on a lonely city street, an unexpected jolt of joy, and on and on. is the quest and frustration of the poet. Whether it is the nuance of a relationship or the clatter of a factory machine, we seek to hold them so that they may be seen, maybe for just long enough to make a little more sense of them. By sense of course, I mean perhaps beauty, pathos, symmetry and on through an infinity of inadequate dictionaries. Freeze Frame is a project arising from my own experience as a poet. We live...
