Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Job hunting today can be rather competitive. Very rarely is a job opening available where you will be the only person applying, as predominantly hundreds may battle it out for the same position. Even if you are the person lucky enough to land the job, you may find that you are still not satisfied and yearn something more, something slightly out of the ordinary. Todd McLeod s book Online Jobs looks how people continue to explore new ways of making money from home as an additional income and they are making the right decision as there are so many opportunities just waiting to be tapped in to. Sitting at home and searching through the job section in your local newspaper simply won t cut it. All you really need is basic computer knowledge, a reliable internet connection, and the desire to earn cash from home at a pace you are comfortable with, either part time or full time.
