# LAND RESOURCES INFORMATION SYSTEMS FOR FOOD SECURITY IN SADC COUNTRIES

Paperback. Book Condition: New. Not Signed; This publication provides an overview of the land resources characteristics, their status and limitations at a global, regional and national level. The statistics provided here widen and complement those given by FAO and the World Resources Institute. They include data on soil, climate and terrain characteristics and constraints, human-induced land degradation status and desertification risk. A comparative analysis of national land resource potential is included. A link has been made between land resource limitations...
