## Trapped by History: The Remaking of America and Death of the Middle Class (Paperback)

By H T Scott Gibbons

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Traditional elites declined with the emergence of the middle class (the class between the labor and the ruling/controlling class) from the time of the Magna Carta until the establishment of the United States. America was unique in the expansion of the middle class to the literate, taxpaying mainstream male leadership of the society. This provided a class with independence, knowledge, wealth and voting power to withstand the greed of the power elite. The power elite made continuous efforts to dominate this middle class through ideology, influence peddling, and legal manipulation, most of which could be defeated; but, supported by the application of statist force, ultimately enough of these efforts survived to cumulatively undermine the power of the middle class. It is possible that the middle class could have retained its dominance but for the unexpected anomaly of beguiling events and conditions that came about in the 20th Century culminating in World War II, Bretton Woods and various group rights movements. The establishment and evolution of the US Dollar as the world reserve currency with no physical asset backing created...
