Cengage Learning India, 2013. Softcover. Book Condition: New. First edition. Mathematics for Joint Entrance Examination JEE (Advanced): Calculus, a Cengage Learning Exam Crack Series&trade product, is designed to help aspiring engineers focus on the subject of mathematics from two standpoints: 1. To develop their calibre, aptitude, and attitude for the engineering field and profession. 2. To strengthen their grasp and understanding of the concepts of the subjects of study and their applicability at the grassroots level. Each book in this series approaches the subject in a very conceptual and coherent manner. While its illustrative and solved examples will facilitate easy mastering of the concepts and their applications, an array of solved problems will expose the students to the variety and nature of questions that they can expect to face in the examination. The coverage and features of this series of books make it highly useful for all those preparing for JEE (Advanced) and aspiring to become engineers. Printed Pages: 730.
