By Thomas Danforth

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from An Oration, Pronounced July 4, 1804, at the Request of the Selectmen of the Town of Boston, in Commemoration of the Anniversary of American Independence Through the long lapse of ages, we search in vain for that people, among whom Liberty has long been cherished, with a constant regard to the dignity and welfare of our species. It has either degenerated into viciousness, or become tributary at the throne of usurpation. Mankind have hated tyranny, without esteeming liberty; they have repulsed refractory, without seeking to know the bounds of right, and vainly have contented themselves to repel the former, without labouring firmly to establish the latter. At the expense of superfluous and political fanaticism, more sacrifices have been made, than grateful offerings of praise to heaven, for the supreme advantages of rational liberty. In those enlightened Republics of ancient time, where liberty seemed to have fixed her lasting residence, and where the desire of being free existed, when liberty seemed totally extinct, how vain were their efforts to preserve it like the hit convulsions...
