## PRACTICAL STUFF FOR PASTORS: TAKING CARE OF BUSINESS

Group Publishing (CO), United States, 2015. Paperback. Book Condition: New. 176 x 126 mm. Language: English . Brand New Book. Most pastors don't go into ministry because they love risk management and balancing budgets and writing human resource policies. And yet each of these things, plus more, is part of a pastor's day-to-day life while leading a church. Neglecting these routine tasks can lead a church into troubled waters, but dealing with them head-on frees up a pastor's time and energy to do what he/she really enjoys: spiritual shepherding. Taking Care of Business helps pastors plan for, implement and delegate the administrative responsibilities of running a church, including: Creating and Managing Budgets Safety and Risk Management Day-to-Day Operations.
