Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

We live in a time in which ending our species in our lifetime, even eliminating all life on this planet, are very real possibilities. The awareness of this acceleration toward an end of days while so horrifying that we are in denial of it and hardly speak it hangs over us and affects us in ways singular and fantastic. This book **Apocalypse No, Apocalypse or Earth Rebirth and the Emerging Perinatal Unconscious** awakens us to the unique character of our times. There are powerful factors and unconscious influences erupting into our world now which are changing the Earth and us in radical ways for good and ill. This unprecedented era in history is rife with the perinatal, that is, with repressed memories locked into us arising from our experiences of birth. We see that our impending apocalypse has to do with birth feelings, birth trauma an emerging perinatal unconscious. Herein is revealed the underbelly of our modern world and life and the impetus behind our self-destruction. We see primal forces arising and exposed. We begin to understand how and why this is happening now. Knowing this gives us the power to do something about our dire situation. Finally, we can direct our attention to the roots of our drive to apocalypse and reverse it. More than that, this awakening provides a way of transformation for ourselves. For we see that in the heart of this darkness we are bringing down upon us lies the most incredible opportunity for taking a leap beyond what we think of as human nature. This time calls for a new heros cycle one that leaves behind the thuggishness of the...
