Thames Hudson Ltd, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. Picture books are such good fun and so is making them-- but who knew there were so many things that could go wrong? This is the story of a picture book doomed from the very start. Allan has a good idea for a book about a crocodile, but every time he sits down to write, he s interrupted. The manuscript gets soaked in coffee, nibbled by snails, and when Bruce gets started on the pictures, he gets overexcited and draws a hippo, not a crocodile, at which point the publishers get overexcited too--they want a dinosaur and experiment with all kinds of different fonts. Allan and Bruce finally think they ve straightened things out, when the book goes off to the printer and--you guessed it--the trouble really starts. My Worst Book Ever is a clever and amusing introduction to the process of writing books for children, and they--along with their parents--will be delighted to see how hilariously wrong Allan and Bruce s book turns out.
