A strange man has come to save her. . . but is he friend or foe Anderson Merritts been kidnapped, but when a stranger comes to rescue her, she isnt sure he is who he says he is. He claims to work her fathers boss. But someone close to Andi set her up, and now she doesnt know who to trust. Every man shes ever known has seen her only as a tool to get to her father or his money, so why should this one be any different As the sparks between them ignite, and the danger escalates, Andi has to choose go off on her own, or trust that some men really are what they seem. He doesnt want to hurt her but he may have to if she doesnt come willingly. Ex-CIA black ops specialist Levi Komakov doesnt believe in hurting women, but when the place is set to blow and Andi wont cooperate, he has no choice to but toss her over his shoulder and carry her out of danger, determined to keep her safe in spite of herself. But the beautiful little spitfire doesnt make it easy for him. With her abductors seemingly always one step ahead of him, Levi suspects theres a rat in the woodpile, but who Could it be someone close to Andis father, someone in the FBI, or someone in the family Levi works for When a new threat appears, and even the CIA cant help him keep Andi safe, Levi puts everything on the line but will it be enough This item ships from multiple locations.
