. Holy Father, your mercy endures forever. The only recognizable feature was the rocks that Raj had just used as refuge and the scorched tree split in two. It s gone. He took it from them. The Garden of Eden has been ripped from the soul of man. I hope you enjoy this next installment of The Yesterday Christ: Genesis. Follow the continued adventures of Dr. Graham Parker and his ban of colleagues as they continue to tread on the fringes of hope, faith and science. Was Genesis really the beginning? Dr. Raj Hadaad risks his friends and his career to find an answer.
