Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For hundreds of years all business, organizations and governments have tried to resolve the problem of internal theft, corruption and greed by using repression, security control and audit systems. The fact is, none of these methodologies have made a significant dent in this growing worldwide problem. In Omega Virus we follow the life of Robert, the Director of Merchandising, who is lost in his search for the source of massive loads of missing merchandise. The company's profits are swiftly flowing downward and Robert falls into a state of desperation as he watches his personal and professional life crumble to obscurity. In the thick of the crisis, the broken Robert has a strange encounter with a mysterious woman. She tells him that in order to regain control, he must help the people around him, and in doing so, he will provide himself with the needed assistance to overcome the Omega Virus, the source of the problem. This potent work offers brilliant practical solutions to hundreds of years of business struggles and entertains as it educates through an original and inspiring story. Omega Virus is a must read for any person who craves a powerful new methodology for attaining three dimensional success in life.
