THE MASTER S BRICK: A STORY ABOUT PURPOSE

WestBow Press, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered about your destiny? Why were you created? What purpose are you meant to serve? Can God use you the way you are? Where do you fit in? There was a plan for us all before we were ever made. We each have a purpose, a special place to fit. Join the Master s brick on his journey to find that special place. Long before I held the manuscript, I knew that Melisa Bass O Connor would be a successful author. She speaks with such fluidity that one never has to re-read or stumble through a sentence. I first received this story while on vacation and read it out loud to those I was with. We were all speechless for a moment as the story sank into our hearts. Old or young, you will be touched by The Master s Brick . It is my prayer that this will be one of many books that you and I will hold in our hands and in our hearts. -Rena Perozich, author of The ABC s of Being a Mother.
