Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Capture fluid insights on the clinical application of integrative traditional Chinese medicine (TCM) in our modern medical environment. This text compiles correspondences between Dr. Lee Chen Yu and his pupil, Dr. Juno Yang. Dr. Lee is world renowned for his innovative use of TCM in the treatment of difficult and intractable diseases. His pupil, Dr. Yang, inquires on specific cases faced in daily clinical practice and Dr. Lee responds, providing advice and guidance on effective therapeutic regimens. This compilation makes an ideal learning companion for TCM practitioners, aspiring students, and anyone interested in learning about the practical application of TCM in the clinical setting. Supplemental materials such as an introduction to Dr. Lee s commonly prescribed formulas and pharmacopeia are also included. Come along on this journey of discovery into the vast potential of integrative TCM and experience this fusion of ancient healing arts into the emerging vistas of modern scientific medicine. From the back cover For those who, like me, have a passionate interest in the integration and efficacy of traditional Chinese medicine (TCM) alongside Western medicine in the real world, Dr. Lee s outlook and mastery is a vast treasure. This book is an important new addition to the TCM cannon in the English language. More than most titles currently available, this text provides application of TCM for challenging conditions and cases that will be welcomed by student and experienced practitioner alike. The format of question and response between student and master is reminiscent of the classic writings of Chinese medicine and makes for compelling reading. Dr. Lee s replies to his student s questions demonstrate his eminently pragmatic, open-minded approach and his expansive knowledge of Western medicine. Following these...
