Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Gruesome Headless Unsolved Murders Cold cases are fascinating because they have all the ingredients of a nail-biting murder mystery. Except there s no ending. And what s a book without an ending except an endless source of frustration and speculation? It s even worse when the victim is unidentified. Unknown man/woman/ child murders send a chill through us and can even cause a little sadness. How could a person be so alone in the world that absolutely no one came forward to give them a name and a burial? This volume examines five instances of a single or serial killing involving victims who were beheaded by their killers: The Thames Torso Murders: Known as the Thames Mysteries or Embankment Murders, this series of gruesome killings was overshadowed by the terror surrounding Jack the Ripper s crimes but were also very fascinating. The August 8, 1886 discovery of a decomposing male torso outside Wallingford, Connecticut. The victim was never identified, and a woman who claimed that she knew the whole story behind the murder committed suicide. The Mad Butcher of...
