By Christine Green

NEIL WILSON PUBLISHING, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. A little book that takes a quirky look at the world of driving and finds that, universally, the law is an ass! The Little Book of Loony Driving Laws reveals over 250 loony driving laws and rules - some current, some ancient. Did you know that: in Australia all cars parked in public places must be locked but their windows must also be lowered by no more than the width of a hand!; in Bermuda, hire cars are banned?; in Montreal, Canada, drivers cannot park their cars blocking their own driveways?; until 2000 in Luxembourg a driver was required to sound his horn when overtaking another road user? The Little Book of Loony Driving Laws is the perfect antidote to road rage and car congestion.
