

Star Wars: Death Star (Paperback)

By Michael Reaves, Steve Perry

Cornerstone, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. The Death Star is one of the great icons of the science fiction genre. Now veteran Star Wars authors Michael Reaves and Steve Perry join forces to tell the story of the Death Star, from the start of its construction to its final destruction at the hands of Luke Skywalker and the Rebel Alliance. New characters flesh out the human aspect of the tale with pathos and bathos; familiar characters, like Darth Vader and Moff Tarkin, the architect of the Death Star, also have their parts to play. Even Luke, Princess Leia, Han Solo, and Chewbacca the Wookiee, show up in cameo roles, from the familiar movie scenes when they were captured on and then escaped from the Death Star. DEATH STAR is a book for all Star Wars fans -- not just the core fans who read everything the so-called expanded universe has to offer, but also all those who loved the original movies.

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
