

The Center for Professional Development, Inc. (Paperback)

By Charlotte Milliner

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.CPD s expertise is targeted at ensuring that the people architecture of a company supports the strategy, goals, and objectives of that company. Since all organizations and cultures are products of how the members think and interact with one another, we have developed our expertise to directly address the building of corporate cultures that enable organizations to be more profitable, more productive, more adaptive, more self-correcting, and more flexible. The result is that the individuals who make up the companies emerge from our programs and coaching making wiser systemic decisions that directly impact the companies ability to accomplish their strategic goals.
