Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

(Mariela Stroman)

WORK! CONSUME! DIE! (PAPERBACK)**DOWNLOAD**

HarperCollins Publishers, United Kingdom, 2012. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Brace yourself, Frankie's back, and he's more outspoken and brilliantly inappropriate than ever. There are fears that this year could see the start of a double-dip recession, or worse still a double-dip-with-misery-sprinkles and f**k-where-s-my-job?-sauce. Why not chuckle into the howling void as taloned fingers reach up to consume you with Frankie Boyle's new book, Work! Consume! Die! In Work! Consume! Die! stand-up comedy's favourite pessimist, Frankie Boyle, offers his outrageous, laugh-out-loud, cynical rant on life as he knows it. He describes your reality as viewed through a bloodshot eye pressed against a shit-smeared telescope, focused on hell: * `Charlie Sheen's life consists of going on huge drug benders with groups of porn stars. If he straightened himself out he could have a really mediocre career as a bit-part Hollywood actor. Playing the role of Martin Sheen's corpse. He's crazy like a fox! And also actually crazy. What a tragic waste, not being Charlie Sheen is. How majestic it will be for him to die, possibly quite soon, knowing that when they make a movie of his life, it will be a porno. * `The X Factor will be allowed to show product placements. That's powerful advertising. Last series I realised that looking at the judges alone had made me subconsciously buy a gnome, a scrag-end of mutton, a vacuous mannequin and a suspected gay. * `The Taliban are running out of bullets. Operation `Get our troops to absorb them with their bodies is finally paying off. The Taliban are finding it impossible to get hold of essential supplies - at last we're fighting on equal terms. But let's not get complacent. Just because...
