Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When my fiancée and I decided on getting another dog we didn't expect to find the most perfect dog immediately. But that's exactly what happened with Charlie! We knew instantly he was the one just from seeing his picture in the advert! Seeing him in person for the first time just proved this beyond any doubt, and I say in person because I swear this dog has a person inside him. I have never seen any dog before that has so many funny different expressions, the cover pic on this book is a perfect example of how he looks at you and raises his eyebrows, and you just sit there expecting him to start talking at any time! He hasn't yet, but you just never know with this dog, and it wouldn't surprise me if he did in the future!.
