MD Publications Pvt. Ltd. / Prints India, New Delhi, 2012. Soft cover. Book Condition: New. Higher education has developed in numerous ways. The issues such as autonomy and accountability, the impact of technology, the growing role of markets and the privatization of higher education, the role of research and teaching, various efforts toward curriculum reform, and the massive expansion that has characterized higher education systems in most countries have all played important roles in the development of higher education. Universities are international institutions, with common historical roots, and at the same time are embedded in national cultures and circumstances. It is worthwhile to examine the contemporary challenges to higher education in comparative perspective, as most issues affect academe everywhere. This book is prepared for students, teachers, researchers and for all those associated with higher education planning and development. Page Extent: 300.
