Reviews

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.

(Georgiana Pacocha)

THE SECRET OF EVIL (PAPERBACK)

Pan MacMillan, United Kingdom, 2015. Paperback. Condition: New. Main Market Ed. Language: English . Brand New Book. Roberto Bolano has been hailed a giant of Latin American literature and included in this one-of-a-kind collection is everything he was working on just before his death in 2003. A North American journalist in Paris is woken at 4 a.m. by a mysterious caller with urgent information. For V. S. Naipaul, the prevalence of sodomy in Argentina is a symptom of the nation's political ills. Daniela de Montecristo (of *Nazi Literature in the Americas* and 2666) recounts the loss of her virginity. Arturo Belano - Bolano's alter ego - returns to Mexico City and meets a band called The Asshole of Morelos. Belano's son Geronimo disappears in Berlin during the Days of Chaos in 2005. Memories of a return to the native land. Argentine writers as gangsters. Zombie schlock as allegory . . . Opening *The Secret of Evil* is like being granted access to the Chilean master's personal files; it offers a final opportunity to read the work of an intense, brilliant and truly original writer.
