Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Revealed From the Unknown, or the Meteoric Laocoon I gazed from its soft and most beautiful outlines, dreamily through the opened window that led to the veranda and thence across the shrub-dotted, velvety lawn to the trunk of an enormous oak that, buried almost to its shattered top, still stood in stern defiance of elements and time, emerging from its grave, like the soul of a mighty monarch. It had at no distant date surmounted a bank some thirty feet above, but the work of wind and rain had undermined it, and a thunderbolt had no doubt precipitated it to its present condition, its mighty roots like the arms of an enormous octopus dragging down tons of earth upon its fall. It was evidently hollow at its base, for where its top and limbs had broken off, there showed unmistakable signs of a large and spacious cavity beneath. Its former appearance must have been grand, stately and imposing indeed, as it surmounted the once perpendicular bank many feet above. Its shelter had been easily reached, however, by a path that then ran from the veranda. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
