Supporting Differentiated Instruction: A Professional Learning Communities Approach

By Dr Robin J Fogarty, Dr Brian M Pete

Solution Tree, United States, 2010. Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book. We now recognize that a one-size-fits-all instructional approach is unlikely to maximize achievement for all learners. Indeed, the goal of helping all students achieve high standards demands instruction that is responsive to their varied nature and needs. Supporting Differentiated Instruction: A Professional Learning Communities Approach pragmatically approaches the collaborative spirit of professional learning communities (PLCs) and the rigorous work of differentiated classroom instruction. This method combines the teaching decisions for professional staff and the learning decisions for students. As the discussion unfolds, this teaching-learning equation is examined in the practical light of how PLCs provide the decision-making platform for differentiated classroom instruction. Differentiated instruction logically extends from a straightforward proposition that learners differ in their prior knowledge and experience, their interests, and their preferred ways of learning. Accordingly, the most effective teaching responds to these differences by adjusting (differentiating) how content is presented, how learners are able to process it, and how they are allowed to demonstrate their learning. Teachers need plausible methods to put the profound theories of collaboration and differentiation into classroom practice. In short, teachers need a roadmap...
