Reviews

Simply no words and phrases to clarify. It really is full of knowledge and wisdom You wont feel monotony at at any moment of the time (that's what catalogs are for relating to when you question me).
(Paolo Spinka)

COMMUNICATION DISORDERS AND PERSONALITY

Book Condition: New. Publisher/Verlag: Springer, Berlin | This work analyzes the interrelation and interdependence between personality changes, which differ in their nature and phenomenology, and disorders of certain aspects of communicative ability. The author's approach is an interdisciplinary and comprehensive study of neuropsychological, psychopathological and special education data on the basis of communication theories. The book will be a valuable resource for psychologists, social workers, psycholinguists, physicians, and speech and language therapists. | Foreword to the English Edition, by David E. Tupper.
