Brand New Book ***** Print on Demand *****.While it might seem unusual to see a book title on the subject of offering Christian encouragement to thyroid patients, it really shouldn't be considered unusual at all. Statistics by reputable polling organizations have shown that 75% of the U.S. population claims to be of the Christian faith and some medical estimates have revealed that over 30-million Americans are experiencing thyroid diseases. General statistics of belief in God are considerably high, with some polling data indicating that 9 out of 10 Americans believe in a supreme being. Some polls that have concentrated on particular groups of people have revealed similar statistics. In the year 2004 for example, a poll conducted by HCD Research, revealed that 3 out of 4 medical doctors (of the 1,100 respondents who participated); believe in divine intervention, in the form of miracles. I have personally read books by Thyroid Patient Advocates (proactive patients who help to inform fellow-patients), who include chapters in their books that encourage seeking spiritual as well as medical help for the emotional symptoms of thyroid disease. I feel this is not an improper thing to do at all and in-fact, I personally believe that faith brings more hope to those who are seeking recovery and a better quality of life, in the midst of suffering medical health conditions. Over the past few years, I have corresponded with other patients, who also expressed their Christian faith to me and I have derived much of the information within the chapters of this book, from my responses to their questions and their requests for advice regarding emotional symptoms. In addition to well-studied layperson medical advice that I will offer following, it is...
